- **The Plan**

The Coventry Group Ltd Dividend Reinvestment Plan (the Plan) is an optional and convenient way of increasing your holding in Coventry Group Ltd shares by reinvesting all or part of your dividend in additional shares.
- **Reinvestment**

At each date on which a dividend is paid, the dividend on the shares participating in the Plan (less withholding tax where applicable) is automatically reinvested in new shares which may be at a discount to market price as determined by the Directors from time to time.
- **The Cost**

Shares are allotted to you under the Plan free of brokerage, commission and stamp duty costs.
- **Flexibility**

Participation in the Plan is entirely optional. Shareholders may join the Plan, vary their participation or withdraw from it at any time. **Shareholders not wishing to participate in the Plan need not complete any form.**
- **Eligibility**

All shareholders are eligible to participate in the Plan. However, overseas shareholders will be subject to any legal requirements that apply in their own countries.
- **Rights of New Shares**

Shares allotted under the Plan rank equally in all respects with existing fully paid shares and will participate in all subsequent dividends.
- **Statements**

Participants will be sent a statement after each dividend payment, detailing their participation in the Plan.
- **Sale of Shares**

Shares participating in the Plan or acquired under the Plan may be sold at any time and are automatically withdrawn from the Plan upon registration of the transfer.

- **Extent of Participation**

There are two types of participation:

1. **Full Participation**

Full participation is where the dividend on all shares held by the participant is reinvested in new shares. No cash is distributed.

2. **Partial Participation**

Partial participation is where the dividend on a nominated number of shares, not being the total number of shares held by the participant, is reinvested in new shares. The nominated number is determined by the shareholder. Refer to application form for details.

- **Taxation**

Under present taxation law dividends reinvested under the Plan will continue to be assessable for income tax in the normal way. However, an imputation credit rebate will also be available to shareholders to the extent to which dividends are franked. Your participant's statement will provide the relevant details. For further advice on how the Plan affects your tax position you are urged to consult your financial or taxation advisor.

- **General**

The Directors may in their discretion resolve to amend, suspend or terminate the Plan. They may also elect to enter into an underwriting arrangement in respect of the Plan.

- **How to Enter the Plan**

If you wish to participate in the Plan please complete the application form attached at the back of this booklet and return it in the envelope provided.

Participation will commence with the first dividend payment after the receipt of the application form provided it is received before the record date for that dividend.

- **Terms and Conditions**

The terms and conditions of the Plan are detailed in full inside this booklet.

TERMS AND CONDITIONS

The terms and conditions which apply to the Dividend Reinvestment Plan (the Plan) established by Coventry Group Ltd (“Coventry”) are as set forth below.

1. Participation

Entitlement

All Shareholders may participate in the Plan unless expressly excluded by these Terms and Conditions.

Participation in the Plan is optional and is subject to these Terms and Conditions and may be varied or terminated by a Participant at any time in accordance with them.

Shareholders may participate in respect of all or some of the Shares registered in their name.

Once a Shareholder participates in the Plan the amount of dividends payable on their Participating Shares will be applied in accordance with these Terms and Conditions in payment for Shares allotted by Coventry.

The Terms and Conditions do not apply to dividends upon Participating Shares where by the constitution or otherwise Coventry is entitled to and does retain or deal with all or any part of the dividends.

The Directors have absolute discretion to refuse any Shareholder’s application to participate in the Plan and withdraw Shares from participation in the Plan for any reason whatsoever including if the address in the Register is a country whose laws or regulations in the opinion of Coventry make it impractical for them to participate.

2. Application to Participate

Applications to participate must be made on the Application and specify either full participation or the number of Participating Shares for partial participation.

If any Application is not correctly completed the Directors may without notice to the Shareholders reject it.

The Directors shall not be liable to any Shareholder for any loss, damage or claim by reason of any rejection.

Where Shareholders nominate a number of Participating Shares equal to or greater than the number held by them at the day after the record date in relation to a dividend they shall be deemed to have specified full participation.

Participation in the Plan will commence from the next record date after acceptance of the Application.

3. Full Participation

If a Shareholder specifies full participation the Terms and Conditions will apply to all cash dividends payable on the Participant's Shares including:

- (a) the shareholding at the date when full participation commences;
- (b) Shares issued to the Participant under the Plan;
- (c) bonus Shares issued to the Participant;
- (d) Shares acquired by the Participant on acceptance of entitlements to new shares offered by Coventry; and
- (e) other Shares subsequently acquired by the Participant less Shares disposed of by the Participant since full participation commenced.

4. Partial Participation

If a Shareholder specifies partial participation only that number of Participating Shares specified in the Application (including Shares issued pursuant to the Plan) will be subject to the Plan.

If at any record date the Shares held by the Participant are less than the number specified in the Application, the Plan will apply for the dividend payable in respect of all Shares held by the Participant.

5. Cost to Shareholders

A Participant shall not be liable for any brokerage commission stamp duty or other transaction costs in respect of the Application or for the issue of Shares under the Plan.

6. Operations of the Plan
